## **RULES FOR USING FOOD DRYER**

AOA has food drier for members to use. The following rules will apply to its use.

1. The Committee will appoint a custodian of the drier. You will have to pick it up and return it to the custodian.
2. The dryer will only be available to members.
3. A charge of \$1 per day will be levied to use the dryer. The charge will be based on how long you have the unit - ie if you want to use it over the weekend but pick it up on a Wednesday and return it the next Wednesday you will be charged \$7.
4. There will also be a \$20 deposit to cover the unit not being returned in a clean state or damaged. AOA will cover fair wear and tear but not damage. It is possible to damage the trays if you are rough with them - but not if you treat them with care. The hirer will therefore be responsible for damage and cleaning costs (ie if all trays come back broken the cost will be  $6 \times \$15 = \$90$  not \$20). The deposit will be returned after inspection.
5. Cleaning will be charged at \$20 per hour.
6. Anyone who returns the unit in a dirty state more than once will be banned from using it.
7. A booking sheet has been set up so that people can book the dryer for certain dates. The maximum period the dryer may be booked for, unless no one else wants it, will be 1 week.
8. Priority will be given to members wishing to use the drier to prepare for an AOA trip.
